# TOWNEE SQUARE RESTAURANT

## Story

In 1986, having sold our last restaurant, we took a drive to the northern suburbs and fell in love with beautiful and historic downtown Libertyville. We purchased what was Miss Alice's Restaurant, renovated the building and opened for business. For years now, we have made countless friends while courteously serving honest, home-style meals in our warm, family managed restaurant. Every day, you will find us attentively working to make your experience with us a great one. Please enjoy your meal and ask for us if we can do anything to make your time with us even better.
