Developing Champions for the Game of Life

Student Name _____

Belt Testing For _____

Dear Teacher:

At North Shore Academy of Martial Arts, our goal is to create students who are champions for life. We want our students to have great attitudes at home, school, and in the community. We do our best to instill qualities like respect, focus, self-discipline, self-control and good manners.

The student above has been training hard to achieve his/her next belt at our facility. He/she has shown dedication and is ready to test for a new level. It is important to us that our students work equally as hard at school and at home. This is why we require them to have you sign off on their performance at school. We appreciate your time.

Sincerely,
Personal Achievement Academy Instructors
