SCOTTY SIMPSON'S FISH & CHIPS

(313) 533-0950

22200 Fenkell, Detroit, MI 48223

Scotty Simpson's Fish & Chips has been a Detroit landmark since 1950, when James (Scotty) Simpson opened the doors and started serving his original famous recipe of fish and chips. With ownership changing only two times over the years, little has changed since. Sean Gilmore took over ownership in 1970 and continued to uphold the high Scotty's standards until turning ownership over to Harry Barber in 2003. Harry has worked at Scotty's (as the regulars call it) since 1966. The staff hasn't changed much over the years either; most have been working here for 10 years while a few others have been here for 40 plus years. Scotty's is one of the few places left that you can count on for delicious fresh homemade food at a reasonable price.
