"GOD SO LOVED"

Come all you weary, Come all you thirsty
Come to the well that never runs dry
Drink of the water, Come and thirst no more

Come all you sinners, Come find his mercy
Come to the table, He will satisfy
Taste of his goodness, Find what you're looking for

For God so loved the world that He gave us
His one and only Son to save us
Whoever believes in Him will live forever

Bring all your failures, bring your addictions
Come lay them down at the foot of the cross
Jesus is waiting there with open arms

For God so loved the world that he gave us
His one and only Son to save us
Whoever believes in Him will live forever
The power of hell forever defeated
Now it is well, I'm walking in freedom
For God so loved, God so loved the world

Praise God, Praise God from whom all blessings flow
Praise Him, Praise Him for the wonders of His love
(Repeat)

For God so loved the world that he gave us
His one and only Son to save us
Whoever believes in Him will live forever
The power of hell forever defeated
Now it is well, I'm walking in freedom
For God so loved, God so loved the world

Bring all your failures, bring your addictions
Come lay them down at the foot of the cross
Jesus is waiting, God so loved the world

"MORNING HAS BROKEN"

Morning has broken, Like the first morning
Blackbird has spoken, Like the first bird
Praise for the singing! Praise for the morning!
Praise for them springing, Fresh from the Word!

Sweet the rain's new fall, Sunlit from heaven
Like the first dewfall, On the first grass
Praise for the sweetness of the wet garden
Sprung in completeness, Where God's feet pass

Mine is the sunlight! Mine is the morning
Born of the one light Eden saw play!
Praise with elation, Praise every morning
God's recreation, Of the new day!

"TOO GOOD TO NOT BELIEVE"

I've lived stories that have proved Your faithfulness
I've seen miracles my mind can't comprehend
There is beauty in what I can't understand
Jesus it's You, Jesus it's You

I believe, You're the wonderworking God,
You're the wonderworking God
All the miracles I've seen, too good to not believe
You're the wonderworking God,
And You heal because You love
Oh the miracles we'll see
You're too good to not believe,
Too good to not believe
Too good to not believe

I can't resurrect a man with my own hands
But just the mention of Your name can raise the dead
So all the glory to the only One who can
Jesus it's You, Jesus it's You

I believe, You're the wonderworking God,
You're the wonderworking God
All the miracles I've seen, too good to not believe
You're the wonderworking God,
And You heal because You love
Oh the miracles we'll see
You're too good to not believe,
Too good to not believe,
Too good to not believe,
After everything I've seen,
You're too good to not believe

I've seen cancer disappear, I've seen metal plates dissolve
Don't you tell me He can't do it, Don't you tell me He can't do it
I've seen real life resurrection, I've seen mental health restored
Don't you tell me He can't do it, Don't you tell me He can't do it
I've seen families reunited, I've seen prodigals return
Don't you tell me He can't do it, Don't you tell me He can't do it
I've seen troubled souls delivered, I've seen addicts finally free
Don't you tell me He can't do it, Don't you tell me He can't do it

We'll see cities in revival, and salvation flood the streets
Don't you tell me He can't do it, Don't you tell me He can't do it
We'll see glory fill the nations, like the world has never seen
Don't you tell me He can't do it
Because I know the He can!

And I believe, You're the wonderworking God,
You're the wonderworking God
All the miracles I've seen, too good to not believe
You're the wonderworking God,
And You heal because You love
Oh the miracles we'll see
You're too good to not believe,
Too good to not believe,
Too good to not believe,
After everything I've seen,
You're too good to not believe

Too good to not believe,
Too good to not believe,
After everything I've seen,
You're too good to not believe

"O FOR A THOUSAND TONGUES TO SING"

O for a thousand tongues to sing

My great Redeemer's praise,

The glories of my God and King

The triumphs of His grace

My gracious Master and my God

Assist me to proclaim

To spread through all the earth abroad

The honors of Thy name

So, come on and sing out, let our anthem grow loud

There is one great love: Jesus

Jesus, the name that charms our fears,

That bids our sorrows cease;

It's music in the sinner's ears,

Tis life, and health, and peace

He breaks the power of cancelled sin,

He sets the prisoner free;

His blood can make the foulest clean;

His blood availed for me!

So, come on and sing out, let our anthem grow loud

There is one great love, there is one great love: Jesus

He speaks, and listening to His voice,
New life the dead receive
The mournful broken hearts rejoice
The humble poor believe

Glory to God and praise and love
Be ever, ever given
By saints below and saints above,
The church in earth and heaven

So, come on and sing out, let our anthem grow loud
There is one great love, there is one great love: Jesus
Jesus

There are so few words, that never grow old.
There are so few words, that never grow old.
Jesus, Jesus, Jesus!

So, come on and sing out, let our anthem grow loud
There is one great love,
So come on!
So come on!
So, come on and sing out, let our anthem grow loud
There is one great love,
Oh there is one great love
Oh there is one great love
Jesus!

"YES AND AMEN"

Father of kindness, You have poured out grace
You brought me out of darkness, You have filled me with peace
Giver of mercy, You're my help in time of need
Lord, I can't help but sing!

Faithful You are!
Faithful forever you will be
Faithful You are!
All your promises are Yes and Amen
All your promises are Yes and Amen

Beautiful Savior, You have brought me near
You pulled me from the ashes, You have broken every curse
Blessed Redeemer, You have set this captive free
Lord, I can't help but sing!

Faithful You are!
Faithful forever you will be
Faithful You are!
All your promises are Yes and Amen
All your promises are Yes and Amen

I will rest, in Your promises
My confidence, is Your faithfulness
(Repeat x3)

Faithful You are!

Faithful forever you will be

Faithful You are!

All your promises are Yes and Amen

All your promises are Yes and Amen

All your promises are Yes and Amen!
