Seeing Jesus in Egypt with Marilyn Hickey

by Dr. Debra Johnson, Editor-in-Chief

This is the Egyptian desert.
Would you have followed Moses
into the sand as the children of
Israel did thousands of years ago?
This and many other questions

formed in my mind as I traveled to Egypt with Marilyn Hickey Ministries from October 17th through October 28th of this year.

As an Apostolic Pentecostal, I was aware that the bulk of Dr. Hickey's Assemblies of God doctrine was healing, miracles, and prosperity. I did not know she had been taking people on international trips every May and October since 1983.

When I toured the Egyptian Museum of Antiquities, I became increasingly aware that it was impossible to assign any ethnicity to the ancient Egyptians other than African! Though I knew the Holy Bible clearly indicates in Genesis 10:6 that Mizraim is the second son of Ham (and is also the father of the Egyptians), the black faces I repeatedly saw in every museum and tomb resembled the residents of my hometown of Detroit. Those who insist the ancient Egyptians were Arabs, Europeans, or

aliens are simply determined liars.

Get Ready for 31 Days of Prayer!

By Evangelist Cherlyn A. Williams, ISPA President

Greetings to All,

Peace and blessings as we approach another year of excitement! We are praising God for the birth of our Lord and Savior Jesus Christ and another New Year. What better way to celebrate the New Year than our 31 Days of Prayer?

We celebrate 31 days of Prayer by our having prayer twice a day at 6:30 am (EST) and 6:30 pm (EST) during the month of January for 31 days via the phone lines. Beginning Wednesday, January 1 through Friday, January 31, 2020, we will present bishops, district elders, pastors, elders, evangelists, ministers, plus brothers and sisters to speak a word of encouragement during each session; before you begin

your day (6:30 am), and before you end your day (6:30 pm).

Each prayer session is accessible by first dialing (712) 770-4010, then entering 693336# after the prompt. The twice daily sessions begin with words of encouragement from a guest speaker; next, prayer requests are received from any individuals on the phone line; and then conclude with an all-encompassing prayer lead by the guest speaker. A prayer session may continue from 20 to 30 minutes.

Have confidence in God. Not only does He hear our prayers, but also He has assured us that He will answer them when we pray in line with His will. He hastens to perform His Word (1 John 5:14).

As singles, we want your

spiritual growth to increase and it will happen when you pray the Scriptures. Then and only then, you will acquire God's word in your situation by praying God's word. If you're sick, there are healing Scriptures. If you're depressed, or need a financial increase, pray the Scriptures. Pray the Scriptures out loud: the spoken word makes things happen! After praying the Scriptures, watch how your situation and life will change!

Seeing Jesus in Egypt with Marilyn Hickey Ministries

Continued from Page 1

Our group of 140 believers was almost constantly in motion due to Dr. Hickey's highly organized schedule. I heard myself saying: "I'd rather be tired than be bored." I was never bored! The unique blend of church services, sightseeing, and dining focused mostly on vacationing, but there was also time for ministry and prayer.

My edifying experiences included meeting this Nubian gentleman who was bottle-feeding an orphaned kitten, seeing Ramses II by night in a temple full of his own statues, perusing the Step Pyramid (at Saqqara) which predated all other pyramids, realizing the Egyptian dwarfs are the forerunners of Santa's elves (!), and perceiving the masculine features of Ramses II (below)

are reflected in the faces of today's black men. Probably, other tribes wish to claim the Egyptians because these Hamites were so accomplished thousands of years ago, but they were still black. To this day, the Detroit Institute of Arts isolates the Egyptian art in a separate wing from the African art, and many other institutions also duplicate this false division.

I'm quite pleased to recommend Dr. Hickey's next excursion, which will travel to the Holy Land and Italy in May 2020. Please call (303) 770-0400 or contact her website at marilynandsarah.org for more information. If you don't have the money, do what I did—ask the Lord! There are so many ways to see Jesus!

Call to Duty for Nurses in Christ's Kingdom

By Evangelist Rhonda J. Morris, MSN, BSN/CST

The role and responsibility of a nurse is challenging, yet rewarding in so many ways. The world, including our Christian brothers and sisters, often overlooks the profession and calling of being a nurse and the duties that nurses perform. From the beginning of life and even after death, usually a nurse is there to care for the health and well-being of those whom we call our patients.

Most people have an idea of what nurses do. Odds are good that you've seen a nurse in action at some point in your life and can picture a few tasks (Flavin, 2018) or recall a time where a nurse cared for you or for someone you know.

Nurses are the ones who notice changes in patients and are often the ones who relate that change to the doctor to get help or suggest interventions to prevent death. We assess our patients and one way is by asking questions to figure out what is going on. Most people do not know that we take that information, along with any labs, x-rays, specimen reports and contact the doctor about the information we have gathered. Oftentimes, the doctor is expecting the nurse to recommend treatment

after sharing the patient data we obtained.

To make it plain, we go to bat on your behalf to get what you need to restore your health to a state that you can deal with so you can continue healing in the comfort of your own homes.

Sometimes, people are reluctant and reticent to share what is happening with them. A lot of people get scared, have attitudes, or just don't know how to explain what is going on with them. Nurses must remain nonjudgmental and not react with emotions. Perfected patience in the face of pressure daily all day long while on shift is a gift that many cannot handle. Nurses keep it cool under pressure.

February 2020 newsletter*

Ready for 31 Days of Prayer?

Continued from Page 2

We also ask that you give and it shall be given unto you good measure, pressed down, shaken together, and running over, it will be given into your bosom. For with the same measure that you give, it will be measured back to you (Luke 6:38). Plant a seed of faith so that God can multiply it back to supply all of your needs. Bless ISPA with an offering of \$31.00 !

If anyone would like to provide financial support by making a donation of \$31.00 to the ISPA, please send a text that reads ISPA 31 to 28950 and follow the prompt. Before adding debit or credit card information, click on the three bars in the upper left corner to direct the \$31.00 donation to the International Single People's Alliance. After the debit or credit card information has been added, click on submit and then on process. A receipt will be sent to the email address that you have provided.

If there are any questions or concerns regarding the 31 Days of Prayer, please contact me at (614) 551-3229 or email me at ucwilliams@icloud.com. We love you and so does God! Be intentional in praying God's Word!
