Second Century Dream

A Capital Campaign

2023-2025

100 Years Ago

In the beginning . . .

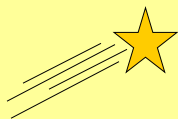

God planted a dream and Lake Shore Presbyterian Church grew out of that dream.

May 5, 1922, some women formed a Ladies Aid Society and organized a Sunday School. Those ladies had a dream—a dream to serve the city and reach new families. Here we are, 100 years later, still fulfilling the dream.

As we celebrate our first century of ministry, we are filled with gratitude for those who came before us, those who dared to dream the dream we know as Lake Shore Church.

*Then, after doing all those things,
I will pour out my spirit . . .
Your old men will dream dreams,
your young men will see visions.*

Joel 2:28

Second Century Dream

God, is not finished with us. As we begin a new era of ministry, we are given the Second Century Dream.

We dream that we will still be serving God, reaching the community, and serving families 100 years from now.

We launch a Capital Campaign to help us secure the Dream.

God, how do you want me to be part of the dream?

A Call to Prayer - Along with the entire church, you will soon receive a call, asking for your prayers.

In prayer, offer thanks:

For the dream that God planted in those women 100 years ago.

For the blessing Lake Shore Church has been for generations.

For what Lake Shore Church means to you.

For the vision God has given us to reach new families and the wider community

In prayer, ask God:

To use the Second Century Dream to help us reach new people.

To help you discover your role in the church as we begin a Second Century of ministry.

Will you pray, again and again, in relation to this campaign:

Lord, how do you want me to be a part of the dream?

And then listen.....
